with additional incentives at 100!*

## Bulk Purchase Program for Institutions

NCC's Bulk Purchase Program allows institutions to purchase voucher codes for multiple prepaid exam registrations. Exam vouchers can be purchased for any mix of core and/or subspecialty certifications.

Participants can take their examinations at a test center or by Live Remote Proctoring (LRP). LRP can be used at home or within a private area set up by the institution. Most NCC exams can be taken using LRP.

Bulk purchases for 20 or more vouchers are discounted and purchases of 100 or more allow for a choice between the discount or provide a "second chance free" for staff. For additional information scan the QR code below or go to [NCCwebsite.org/certification-exams](https://www.nccwebsite.org/certification-exams) and click on Bulk Purchase Program. If you have additional questions, please contact Michele Mehalek at [mmehalek@nccnet.org](mailto:mmehalek@nccnet.org).

### ***ncc* CERTIFICATIONS** **NATIONALLY ACCREDITED AND MAGNET APPROVED**
