The website header includes the NCSBN logo and navigation links for "NCSBN.org", "Nurse Licensure Compact", and "Nursys.com". A navigation menu contains "HOME", "ABOUT", "CONTACT", and "HELP". A blue warning box states: "Please Note: All Michigan license information is in a temporary on-hold status and is unavailable until data issues with Michigan are resolved. At this time, if you need to verify a MI license, please go directly to the Michigan Licensing and Regulatory Affairs website. More information is available under Help > FAQs." Below this is a "Welcome to Nursys" section with the text: "Look up, verify and monitor your nurse licenses anytime, anywhere. Nursys.com provides online verification for endorsement to a nurse requesting to practice in another state and anyone who wants to verify a nurse license." A blue box highlights the "Primary source equivalent" text: "The Nursys licensure and disciplinary database is the repository of the data provided directly from state boards of nursing. Learn more". At the bottom, three logos are shown: "nursys E-NOTIFY", "Qnursys QUICKCONFIRM", and "nursys LICENSURE VERIFICATION". A red arrow points from a text box "Click the nursys QUICKCONFIRM logo" to the QuickConfirm logo. Below the logos are three service descriptions: "Nursys e-Notify is a free notification service that provides automated license", "QuickConfirm License Verification is a free service to look up and verify nurse", and "Nurse License Verification for Endorsement is an online service for requesting".
